Hi Hunter,

Hope you are doing well. I wanted to follow up with you regarding your conversation with Cathy and Brant on the next steps for the Fighter Pay assessment. Specifically, I understand you may have access to boxing purse data for NV, NY, NJ and/or CA. To help us define our methodology for including boxing comp data, we would like to know:

- (1) The number of the aforementioned states you had data for and the number of years

- (2) Data items available (e.g., boxer pay per show date, broken out by gross purse, licenses, sanction fees, other incidentals, etc)
- (3) The format of the data you have access for (e.g. excel, PDF, other)

Please let me know if you have any questions.

Thanks very much,

Patrick
